Technology Integration

Using the list tab to include the standards from 8.1 and 8.2 that can be incorporated into this unit. Here's the link to the website: [Technology Standards 8.1 & 8.2](#) Look at the standards under the PDF for both 8.1 and 8.2 when deciding what standards to list. Think about- what standards COULD be covered in this unit as part of integration of technology- not necessarily what HAVE I covered. Think only about those that are relevant to THIS unit of study!
