

Unit 1: ARC Literacy Lab

Content Area: **Reading**
Course(s): **Reading 1**
Time Period: **September**
Length: **30 days**
Status: **Published**

Unit Overview (Summary)

Trimester 1

Unit One:

The first unit of ARC will be implemented throughout the first six weeks of school (adjusted according to first grade pacing). During this unit, a reading community in the classroom will be built, routines will be established, and formative assessments will be given. Daily components will include the following (Components can be completed in any order that makes sense for each class.):

Morning Message: The purpose of the morning message is to reinforce

Foundational Skills; Interactive Read-Aloud: Students listen to above-level Read-Alouds and practice comprehension standards while learning vocabulary;

Readers' Workshop: Shared and Partner Reading along with Independent Reading will take place. Teachers will also work one on one to determine students' reading level through the IRLA assessment and determine individual Power Goals;

Daily Five Centers: Students will work in differentiated learning stations both independently and cooperatively to reinforce reading and writing skills. In addition, It is recommended that students log onto their iReady My Path for a total of 40 minutes per week. This can be chunked into smaller increments throughout the week. Students will complete an iReady diagnostic test once each trimester.

Strategies for Differentiating Instruction

- Allow oral responses
- Allow students to copy discussed answers from the board.
- Audio Supports
- Chunk larger assignments into more manageable tasks
- Incorporate center activities that enrich student skills
- Incorporate center activities that focus on skills that students are struggling with
- Incorporating Foundations as a tier support
- Materials to help students with tracking

- Modify quantity of work needed to demonstrate understanding.
- Multisensory approach to phonics instruction
- One on One Conferencing
- Paraprofessional support
- Peer mentor
- Provide a variety of graphic organizers
- Provide written directions/notes
- Small Group Instruction
- Timers
- Use sentence starters to frame student thinking
- Utilize visual cues that refer to the learning target
- Visuals
