Course(s): **Reading 1**
Time Period: **January**
Length: **60 Days**

Unit Overview (Summary)

Unit Three: Unit 3 of the ARC is a Literature Genre Lab. Throughout this unit, students will enjoy family story read alouds from a wide variety of authors, exposing them to different family dynamics and helping them develop cultural understandings as well. They will "closely examine the ways in which the author explores the idea of family and community through plot, setting, and character." This unit will consist of the following components:

Morning Message: The purpose of the morning message is to reinforce Foundational Skills;

Interactive Read-Aloud: Students will learn content, background knowledge, and academic language through these read alouds. Teachers will also use this time modeling/describing story elements, retelling, and comparing/contrasting;

Readers' Workshop: Shared and Partner reading along with Independent Reading will take place. Teachers will track individual progress towards the learning goals.

Daily Five Centers: Students will work in differentiated learning stations both independently and cooperatively to reinforce reading and writing skills.

**In addition, It is recommended that students log onto their iReady My Path for a total of 40 minutes per week. This can be chunked into smaller increments throughout the week. Students will complete an iReady diagnostic test once each trimester.
