

# GR 2 Phonics Trimester 3 (12-17)

Content Area: **Reading**  
Course(s): **Reading 2**  
Time Period: **March**  
Length: **12 weeks**  
Status: **Published**

## Unit overview

---

Remember as you are teaching to continually ask your students why or how they know.

Foundations instructs students in phonemic awareness and word study, both phonetic and high frequency words and contributes greatly to fluency, vocabulary development and the applications of strategies for understanding text. Additionally Foundations sets the foundation for writing with the direct teaching of handwriting, study of spelling as well as basic skills for capitalization and punctuation.

Foundation activities address all **five areas** of instruction in an integrated approach:

**Phonemic Awareness:** Echo/Find letters and words, make it fun, word play, word talk

**Phonics:** Sky writing, echol /etter formation, drill sounds warm up, echo/find letters & words, Word of the day, word talk, dictation

**Fluency:** Fluency kits, word play, trick words, dictation/sentence, storytime

**Vocabulary:** Echo/find words, word of the day, word play, word talk, trick words, storytime

**Comprehension:** storytime

### *Additional Skills*

*Spelling:* echo/find letters and words, dictation/sounds, dictation/trick words, dictation sentences

*Handwriting:* Echol/letter formation, skywrite/letter formation, student notebook

- Explicit - learning through modeling and doing
- Metacognition - knowing the why, make sure students know how and they can decode and spell words
- Multisensory - card, tile manipulation, tapping, see-say-write, scopping, sky writing
- Repetition - multiple opportunities to practice
- Systematic - Sequential and cumulative

## Priority standards

---

ELA.L.RF.2.3	Know and apply grade-level phonics and word analysis skills in decoding words.
ELA.L.RF.2.4	Read with sufficient accuracy and fluency to support comprehension.
ELA.L.WF.2.1	Demonstrate command of the conventions of writing.
ELA.L.WF.2.2	Demonstrate command of the conventions of encoding and spelling.

Unit 17	<ul style="list-style-type: none"> <li>• Consonant-le syllable type</li> <li>• Spelling consonant-le words</li> <li>• Review of all 6 syllable types</li> </ul>		

## **Learning Targets**

---

- divide multisyllabic words
- divide multisyllabic words
- identify all 6 syllable types: closed syllables, vowel-consonant e, open, r controlled, vowel digraph/diphthong, consonant -le
- identify word structures such as vowels, consonants, blends, digraphs, digraph blends
- identify words with inconsistent but common spelling sound correspondences
- know and apply grade level phonics and word analysis skills in decoding words
- know some multiple meaning words
- read and spell words with long vowels in vowel consonant e and open syllables
- read and spell phonetically regular one, two and three syllable words
- read and spell trick words and word of the day including irregular words
- read and spell words with glued sounds
- read and spell words with prefixes and suffixes and determine new word meaning of word
- read and spell words with r controlled vowels
- read and spell words with vowel teams
- segment syllables into sounds (phonemes)
- understand spelling sound correspondence for consonants and vowels
- Use a root word as a clue to the meaning of an unknown word with the same root
- use knowledge of the meaning of individual words to predict the meaning of compound words
- Use the context to confirm or self-correct word recognition and understanding

## **Unit Assessment**

---

- Unit check ups
- Unit Test

## **Essential Questions**

---

- How can we read and spell multisyllabic words?
- How do we categorize suffixes?
- How do we connect letters to sounds and write them properly?
- How do we read and spell unexpected long vowel sounds (glued sounds)?
- When do we double the final consonant? How do we tap out glued sounds?
