Module Overview

Doing the right thing, telling the truth, respecting the needs of others, and being kind are all characteristics of good citizens. These principles can be simple to put into practice, but people sometimes ignore them. In this module, children will listen to and read about characters and real people who illustrate what it means to be a good citizen. They will also learn how being a good citizen makes a difference at home, at school, and in the community.

Essential Question: How can being a good citizen make a difference to others?
