Module Overview

In this module, children will read and listen to stories about important people. These stories will help children recognize that people’s lives are shaped and molded by their experiences. Children will learn that every person has a story—and it may be a very fascinating one. In many cases, the stories in this module describes events that are very similar to the experiences that the children have had. Children may be inspired after reading how closely the story of a very important person resembles their own!

Essential Question: How do our experiences shape our lives?
