Unit Overview

Trimester 1

Units One and Three

The first unit of ARC will be implemented throughout the first six weeks of school (adjusted according to second grade pacing). During this unit, a reading community in the classroom will be built, routines will be established, and formative assessments will be given. Unit 3 of the ARC focuses on animal stories and includes a variety of realistic and fantasy fiction. Throughout this unit, students will enjoy animal story read alouds from a wide variety of authors. They will "closely examine the ways in which the author presents the animal story – plot, setting, and character. Students will also be guided to take note of the difference between realistic and fantasy fiction. Both units will consist of the following components: Morning Message: The purpose of the morning message is to reinforce Foundational Skills; Interactive Read-Aloud: Students will learn content, background knowledge, and academic language through these read alouds. Teachers will also use this time modeling/describing story elements, retelling, and comparing/contrasting; Readers' Workshop: Shared and Partner reading along with Independent Reading will take place. Teachers will track individual progress towards the learning goals. Daily Five Centers: Students will work in differentiated learning stations both independently and cooperatively to reinforce reading and writing skills.

In addition, It is recommended that students log onto their iReady My Path for a total of 40 minutes per week. This can be chunked into smaller increments throughout the week. Students will complete an iReady diagnostic test once each trimester.
