

NCS PRESCHOOL

Utilizes CREATIVE CURRICULUM

Teachers choose their own units to implement

Units vary and allow for hands-on, exploratory learning experiences that pertain to all content areas - language arts, math, science - all learning through play.

Units, not limited to:

Trees

Blocks

Buildings

Signs

Boxes

Roads

Clothing

Reduce, Reuse or Recycle

Insects

Pets

Sand

Music Making

Exercise

Bread

Tubes & Tunnels

Balls

Teachers create the learning environment around each unit. Each center area is focused around the unit. Creativity at its best!
