NCS Kindergarten Social Studies Curriculum

BOE Adopted & Approved October 2017

Big Idea

Our Big Book of Family Stories

Examine families in the Big Book

Talk about families

Families are alike and different

Essential Questions

How are we alike/different?

What makes each day special?

How do families celebrate?

How have things changed?

What are some special foods for families?

How do families have fun together?

Where do families like to go?

Skills

Describe characteristics of oneself, one's family and others

Demonstrate an understanding of family roles and traditions

- Express individuality and cultural diversity (through dramatic play)
- Learn about and respect other cultures within the classroom and community
- Describe how culture is expressed through and influenced by the behavior of people
- Trace how the American identity evolved over time
- Explain hoe an individual's beliefs, values and traditions may reflect more than one culture
- Explain how experiences and events may be interpreted differently be people with different cultural or individual perspectives
- Describe why it is important to understand the perspectives of other cultures in an interconnected world

Learning Targets include but not limited to:

- Individuals and families have unique characteristics
- There are many different cultures within the classroom and community
- Cultures include traditions, popular beliefs and commonly held values, ideas and assumptions that are generally accepted by a particular group of people
- American culture, based on specific traditions and values, has been influenced by the behaviors of different cultural groups living in the United States
- The cultures with which an individual or group identifies, change and evolve in response to interactions with other groups and/or in response to needs and concerns
- People view and interpret events differently because of the times in which they live, the experiences they have had, the perspectives held by their cultures and their individual points of view

Activities include but not limited to:

Family Portraits - draw picture

Helpers - draw picture of how they have helped or been helped by a family member

Celebrate! - sing celebration song and share a way their family celebrates

Chart Then/Now

Alphabet Soup - draw picture that begins with an assigned letter

Places We Go Chart - record places students like to go with their families

Standards

Classroom Participation		
Teacher Observation		
Anecdotal notes		
Classwork		
Homework		
Reviews & Tests		
Resources/Instructional Mate	rials	
Holidays/Important Patriotic dates		
Workbooks/Practice books		
Atlas & Maps		
-		
Trade books		
Read Aloud books		
Modifications		
Modifications for Special Education	Note IEP, audio recordings, digital media, screen casts,	
Students	visual presentation, study guides, outlines	
Modifications for English Language	Extended time, assign preferential seating, positive	
Learners	reinforcement, peer tutoring, study guides, lower reading	
	level, read directions aloud, alternative assignments, study	
Modifications for Students Who	guides, outlines Extended time, assign preferential seating, positive	
Lack Support for School	reinforcement, peer tutoring, study guides, lower reading	

	level, read directions aloud, alternative assignments, study guides, outlines	
Modifications for Gifted Students	Integrate, abstract, complex and varied assignments, freedom of choice when applicable, variable pacing levels	

Integration of 21st Century Skills

Focus on the development of 21st Century Content Skills:

- Global awareness
- Civic literacy
- Health and wellness awareness
- Environmental literacy

Focus on the Development of Learning and Thinking Skills:

- Critical Thinking and Problem Solving Skills
- Communication Skills
- Creativity and Innovation Skills
- Collaboration Skills
- Information and Media Literacy Skills
- Contextual Learning Skills

Focus on the Development of Life Skills:

- Leadership
- Ethics
- Accountability
- Adaptability
- Personal Productivity
- Personal Responsibility
- People Skills
- Self Direction
- Social Responsibility

Interdisciplinary Connections

- Academic and Technical Rigor Projects are designed to address key learning standards identified by the school or district.
- Authenticity Projects use a real world context (e.g., community and workplace problems) and address issues that matter to the students.
- Applied Learning Projects engage students in solving problems calling for competencies expected in

high-performance work organizations (e.g., teamwork, problem-solving, communication, etc.).

- Active Exploration Projects extend beyond the classroom by connecting to internships, fieldbased investigations, and community explorations.
- Adult Connections Projects connect students with adult mentors and coaches from the wider community.
- Assessment Practices Projects involve students in regular, performance-based exhibitions and assessments of their work; evaluation criteria reflect personal, school, and real-world standards of performance.
