	guides, outlines	
Modifications for Students Who	Extended time, assign preferential seating, positive	
Lack Support for School	reinforcement, peer tutoring, study guides, lower reading	

	level, read directions aloud, alternative assignments, study guides, outlines	
Modifications for Gifted Students	Integrate, abstract, complex and varied assignments, freedom of choice when applicable, variable pacing levels	

## **Integration of 21st Century Skills**

Focus on the development of 21st Century Content Skills:

- Global awareness
- Civic literacy
- Health and wellness awareness
- Environmental literacy

Focus on the Development of Learning and Thinking Skills:

- Critical Thinking and Problem Solving Skills
- Communication Skills
- Creativity and Innovation Skills
- Collaboration Skills
- Information and Media Literacy Skills
- Contextual Learning Skills

Focus on the Development of Life Skills:

- Leadership
- Ethics
- Accountability
- Adaptability
- Personal Productivity
- Personal Responsibility
- People Skills
- Self Direction
- Social Responsibility

## **Interdisciplinary Connections**

- Academic and Technical Rigor Projects are designed to address key learning standards identified by the school or district.
- Authenticity Projects use a real world context (e.g., community and workplace problems) and address issues that matter to the students.
- Applied Learning Projects engage students in solving problems calling for competencies expected in

high-performance work organizations (e.g.,teamwork, problem-solving, communication, etc.).

- Active Exploration Projects extend beyond the classroom by connecting to internships, fieldbased investigations, and community explorations.
- Adult Connections Projects connect students with adult mentors and coaches from the wider community.
- Assessment Practices Projects involve students in regular, performance-based exhibitions and assessments of their work; evaluation criteria reflect personal, school, and real-world standards of performance.
