- Internet sites
- Internet games

Other Evidence:

- Observations
- Class participation
- Class work

Using the four language domains:

- Listening
- Speaking
- Reading
- Writing

Resources/Instructional Materials

Various forms of world language media

- maps
- pictures
- flash cards
- crayons, scissors, markers, paper, construction paper
- magazine cutouts
- sentence strips
- various reproducible worksheets
- teacher made worksheets
- play food
- computers
- globe
- smartboard
- magnetic board
- internet
- cultural props
- games
- dvds/vhs
- dictionary
- posters

Modifications

Individual accommodations:

- Additional support
- Adapting lessons to meet various learning styles

Integration of 21st Century Skills

Focus on the development of 21st Century Content Skills:

- Global awareness
- Civic literacy

- Health and wellness awareness
- Environmental literacy

Focus on the Development of Learning and Thinking Skills:

- Critical Thinking and Problem Solving Skills
- Communication Skills
- Creativity and Innovation Skills
- Collaboration Skills
- Information and Media Literacy Skills
- Contextual Learning Skills

Focus on the Development of Life Skills:

- Leadership
- Ethics
- Accountability
- Adaptability
- Personal Productivity
- Personal Responsibility
- People Skills
- Self Direction
- Social Responsibility

Interdisciplinary Connections

- Academic and Technical Rigor - Projects are designed to address key learning standards identified by the school or district.
- Authenticity - Projects use a real world context (e.g., community problems) and address issues that matter to the students.
- Applied Learning - Projects engage students in solving problems calling for competencies expected in high-performance work organizations (e.g., teamwork, problem-solving, communication, etc.).
- Active Exploration - Projects extend beyond the classroom by connecting to community explorations.
- Adult Connections - Projects connect students with the wider community.
- Assessment Practices - Projects involve students in regular, performance-based exhibitions and assessments of their work; evaluation criteria reflect personal, school, and real-world standards of performance.
