Part II: Video Guide – Japanese Internment
Directions: As you are watching the following United Streaming video clip, please answer the following questions. They do go in order.

1. F True or False: Congress did not support Executive Order 9066.
2. The newsreel ‘They Go’ never mentioned that 2/3 of the evacuees were Americans.
3. T True or False: Evacuation was not mandatory; it was the law.
4. People were only allowed to take to the camps what they could carry.
5. The lucky Japanese Americans were given 2 weeks notice. Others were only given days.
6. One woman had to sell her large hotel for only 500 dollars.
7. How many people were evacuated and sent to internee camps? 120,000
8. No Yes or No? Were there any trials or hearings to determine guilt or innocence?
9. Describe the conditions at the camps.
   - terrible - crowded - lack of space
   - deserts or swamps
10. What was the name of the individual who challenged internment and his case went all the way to the Supreme Court? Fred Korematsu
11. He argued that it violated both the 5 amendment and 14 amendment.
12. F True or False: The Supreme Court ruled that Executive Order 9066 was unconstitutional.
13. Each survivor of the camp was eventually paid 20,000 dollars.

Part III: Pro / Con Chart
Directions: Please list three pros and three cons to Japanese internment from the perspective of FDR immediately after the Pearl Harbor attack.
