Directions:
Your child should read the passage 3 times. There are boxes at the end of the passage so he/she can check off each time he/she read it. It might be helpful for your child to fold the paper in half so he/she only sees the story while reading.

There are 3 text evidence questions for each passage where your child uses crayons or colored pencils to underline where the answers are found in the text. He/she can circle the correct answer and write it in the blank.

Finally, there is a space at the end with a prompt to draw a picture. This will help your child to make text to self-connections. Encourage your child to label his/her drawing.
