

Archery Range Rules

1. Know and obey all range commands and instructors.
2. Always keep your arrows in your quivers until told to shoot with the “one whistle” command.
3. Only use the arrows your instructor gave you. Remember what they look like.
4. Always keep your arrows pointed down to the floor or at the target.
5. Only aim and shoot at your target downrange.
6. If you drop an arrow, leave it on the ground until you are told to retrieve all your arrows.
7. Always walk on the archery range.
8. Always be courteous to the shooter next to you.
9. Stand behind the waiting line when you are finished or not shooting.
10. Only one archer may retrieve their arrows from the target at a time.
11. Be sure no one is behind you when removing your arrows.
12. Walk back to the waiting line and return your arrows to your quivers after retrieving them.
13. SAFETY IS ALWAYS FIRST PRIORITY!
